About Institution

Government College of Education, Panvel, a teacher's training (B.Ed.) degree college of Raigad District was established in 1970 by the Government of Maharashtra [vide Letter No. STC-2264G dated 26th May 1965] with a capacity of 100 students. As per NCTE Regulation 2014 now the course of two years with intake capacity of 50 students each year. State Government College (2F & 12 B) 30th June 1996. It is affiliated to Mumbai University. It is very near to Panvel S.T. stand and 1 km from Panvel railway station. The total campus area is 15054.50 sq. mtr with 7ft high boundary wall. In the campus there are 2 separate hostels for boys and girls, one administrative building with one separate main Education building. This is the only Government Institution of higher Education in Raigad district, Kokan Area in the field of Teacher Education.

The Government College of Education, Panvel with its academic zeal, aims at providing quality teacher's education to urban and rural students while augmenting their meaningful participation in both curricular and extra- curricular activities. The focus is on the process of teaching-learning in rural context with a sense of social responsibility. The college upholds the spirit of Humanism and strives to inculcate rationalism among its stakeholders. The College offers B.Ed. course with a dedicated staff of 05 teachers and 2 clock hour basis teachers for healthy teacher-student ratio. The College is a temple of learning for every person and every faculty zealously endeavors and excels in disseminating knowledge, simultaneously preserving the motto-

"Sheelam Param Bhushanam"

Which describes the ultimate aim of education as character building formation well & trained trainee with high quality diversified characteristics is ready to enlighten the sphere as this workplace is being depicted through a lighted lamp portrayed on the top of the emblem. Government College of Education, Panvel is the only Government College in the Raigad districts. Also there is no aided teacher's training college in these districts. Many needy and aspirant student teachers are benefited through our college hence; we wish to set a benchmark in the field of education by providing latest techniques and
