Government College of Education, Panvel

Placement interview program organized by Placement Help Desk

Date: 16 April

Venue: Government College of Education, Panvel

Academic Year : 2025 - 2026 (2nd Year)

The Placement Help Desk at Government Teachers College, Panvel organized a placement interview program for second year student teachers on the college premises on 16th May 2026. The main objective of this initiative was to provide suitable and quality employment opportunities to student teachers after their academic training.

The program began at 12.00 pm. The program was presided over by the Honorable Principal of the college, Dr. Raamaa Bhosalay Madam. Along with her, the Head of the Placement Help Desk, Honorable Prof. Dr. Nilima More Madam was also present and guided the organization of the program.

The Principal of Karnala Charitable Trust's Late Mahadev Shankar Tandel International School, Kasarbhat, Panvel was also present in the program. She conducted interviews of student teachers for the post of Assistant Teachers for various subjects. Based on these interviews, the following three student teachers were selected:

1. Miss. Anagha Mhatre

This program proved to be very useful for the career development of the student teachers. They got the opportunity to interview in various organizations while studying in the college, which increased their confidence. The promptness and management shown by the placement help desk were specially appreciated. This initiative taken by the college for employment generation is inspiring, and everyone expects such programs to be continued in the future.
